Minutes of the Board of Directors Meeting

Date: Tuesday, October 6, 2026

Time: 6:02 PM – 6:36 PM (Pacific)

Location: Virtual (Microsoft Teams)

Directors Present: Eric Kotz (Chair), Stuart Daniels (Vice President), Jacob Visser (Secretary)

Directors Absent: None

The meeting was recorded. These minutes cover the formal session only; informal discussion before the meeting was called to order and after it closed is not part of the record.

1. Call to Order and Quorum

The meeting was called to order at 6:02 PM. All three directors were present by video or telephone and able to communicate with one another throughout; a quorum was confirmed.

2. Approval of Prior Minutes

The minutes of the February 7, 2026 meeting, circulated in advance, were adopted by unanimous consent.

3. Conflict of Interest Statements

Directors confirmed receipt and review of their annual Conflict of Interest statements; any statement not yet returned is to be submitted to the Secretary. Jacob Visser disclosed that Woofy LLC, which he owns and operates, supplies alcohol to Undefined for its events at wholesale/cost price. No transaction with Woofy LLC was voted on at this meeting.

4. Legal & Compliance

- Form 990 for FY2025 was filed on time; Washington State renewals are complete. The Organization remains in good standing.

- The Seattle Naked Men trademark application has been accepted to the Supplemental Register.

- The Board discussed whether to oppose third-party filings for BAD DOG in other classes (approximately $800 per opposition plus $300 per class to file). No action was taken; Eric Kotz will review the filings and opposition deadlines and report back.

5. Financial Report

The Board reviewed the financial report for January 1 – September 29, 2026 (Attachment A to the agenda). No objections were raised. The Secretary noted:

- K9 Campout expenses currently include liquor purchases and approximately $3,000 of bus fares; these will be reallocated (liquor used at other licensed events such as BAD DOG, and bus fares to general expenses). Adjusted, K9 Campout is estimated to have a modest surplus.

- Furwood Campout produced a strong surplus, aided by a reduced camping charge from the venue.

- Approximately $10,000 was received through the Microsoft Give campaign, with further matching funds expected.

- Puppy Events operate at a loss as a community contribution; the goal is for them to at least cover venue rental. LEG Con's first year ran at a small loss.

- Cash is approximately $24,000, including about $10,000 in the Reserve Fund. The Board agreed to consider adding to the Reserve Fund at year-end.

6. Financial Actions Since Last Meeting

The Board reviewed the financial actions listed in the agenda: equipment ($2,470.30, speakers), insurance ($1,660.94), legal ($1,050.00, primarily USPTO trademark fees) and accounting ($224.99, software subscriptions). No objections were raised.

7. Programs & Events

- BAD DOG (November 13, 2026) will proceed; about 60 tickets have been sold. The bar will serve a fixed menu of pre-mixed drinks, and Undefined's alcohol is to be used only at licensed events, with a running inventory kept.

- Seattle Naked Men event at the Kink Center on November 28, 2026; Eric Kotz to sign the venue contract. The December 26 reservation will be released unless a host comes forward.

- A possible afters event on Saturday, December 12, during Frostbite weekend, is being explored subject to venue availability.

- Eric Kotz plans a simple Seattle Naked Men website as a backup communication channel.

8. Event Operating Standards

The Board agreed that events run under Undefined need a consistent standard, to be drafted, including:

- a host checklist ("party in a box") and equipment pack sheets checked on return;

- a designated coordinator on site before and during each event;

- a single record-keeping system, with receipts and expense reports submitted through it;

- all funds received as donations (no sales or raffles; door prizes permitted), and a clear charity overhead on hosted events;

- ID checks at entry, combined with active donation solicitation (signage and tap-to-donate).

9. Next Meeting

The next regular meeting will be held in approximately six months; date to be confirmed.

10. Adjournment

There being no further business, the meeting was adjourned at 6:36 PM.
